## FACULTY ADVISOR MESSAGE

Dear Readers, I feel privileged in presenting the October 2018 issue of our college newsletter. I would like to place a record my gratitude and heartfelt thanks to all those who have contributed to make this effort a success.

Overall development of the individual is the goal of education and we all have to leisure that there is no stone left unturned to equip the student of today for the challenges of life. This will require tremendous self-motivation on the part of all concerned but will be fulfilling for the student as well as the faculty.

New technology is bringing opportunities along with new skill set requirements and challenges Globalization is bringing competitiveness in every domain. Engineers have to fit into requirements of companies that recruit across the globe. The department of CSE under the leadership of Mr.S.V.C.Gupta. HoD is leading the way to meet challenges of future by equipping students with the skill set that is required in the industry.

I wish to congratulate the entire faculty and other staff for encouraging and guiding the students in all factors, for their well rounded development. I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

Department of Computer Science & Engineering

## PLACEMENTS HELD IN SVIET

s.no	Hallticket n.o	Name	Company
1.	15MQ1A0596	PRATHI SOWJANYA	TCS
2.	15MQ1A0598	SAMATAM SAJANI	TCS
3.	15MQ1A0568	CHEERLA HEMALATHA	Colors Software
4.	15MQ1A0566	CHANDANA SRIVALLI	TCS
5.	15MQ1A0576	JALLURI NAGA VENKATA HANEESHA	TCS
6.	15MQ1A05B0	PADMANABHUNI SRIKANTH	TCS

## **Welcome to SVIET Engineering College**

Sviet Engineering College is a Nandamuru based Engineering College promoted by Sviet Educational Trust. The college offers quality Education to students to achieve their goals of becoming much sought after professionals. Spread over an area of 15 acres, Sviet Engineering College is equipped with the best of infrastructure and has highly accomplished professionals who form part of the teaching and the administrative staff.

All Programmes offered by Sviet Engineering College are approved by All India Council for Technical Education (AICTE), an apex body of the Government of India. The college is affiliated to JNTUK University. ..

### **President's Message**

I am thankful to all those sections of the society who have come forward in accepting the Engineering and Management Graduates passing out from Sviet Engineering College. The institute has been approaching Engineering and Management Education with a focus towards developing graduates with a global outlook and with necessary Entrepreneurial, Managerial & Software Development skills to succeed in a competitive world. As an academic institution we have the richness and depth commonly found in the larger Engineering Colleges and our students receive individual attention and concern. We are continuously learning, evolving with every year and updating the needs of the companies by promoting all necessary requirements.

### **Principal's Message**

I am happy that the Engineering students at M S Engineering College are privileged to have world class Education and ultra modern lab facilities, over all personality development with the support of Management and dedicated staff. I wish all the students a bright future at M S Engineering College

## **Star Trek classroom: the next generation of school desk :-**

New results from a 3-year project working with over 400 pupils, mostly 8-10 year olds, show that collaborative learning increases both fluency and flexibility in It also shows that using an interactive 'smart' desk can have benefits over doing mathematics on paper

Using multi-touch desks in the new classroom, the children were able to work together in new ways to solve and answer questions and problems using inventive solutions. Seeing what your friends are doing, and being able to fully participate in group activities, offers new ways of working in class, the researchers say. The 'Star Trek classroom' could also help learning and teaching in other subjects.

## **Avinash Babu Saila**

Star trek is a franchise that I have, shall we say, a mild affinity for its know for portraying a positive future for human race, alien extras in funny makeup and wondrous technology based in actual science. It also shows that using an interactive 'smart' desk can have benefits over doing mathematics on paper. Okay may be based a little in actual science or something just completely made up which ever it was the technology of star trek is what many people remember but what they tend to forget is how often it wasn't used to its full potential....
