**Performance measurement & System of Working:**

The present system of working for the performance measurement is as follows:

1. Daily, everyone is supposed to make atleast 5 business Calls/meetings either the end users or the distributors,. If they make lesser calls, they will be marked half a day attendance.
2. Every Individual should send daily report to the respective Business Co-Ordinator every day, by E-mail in the format given to you, failing which you are considered to be absent.

Sign: -----

3. You should send monthly report indicating the list of orders obtained by you in that month and confirmed orders for the coming month and the future prospects and also the orders lost by you citing the reasons.

4. You should achieve the targets accepted by you, and should be in line with your perks. Try to cope up with targets and match the quarterly portion of yearly target every quarter.

5. For the experienced personnel whose perks are higher, they should achieve the targets every month, failing which the following month's achievements should be the cumulative of the previous month or atleast they should catch up by the end of the quarter (3 months) to strike the balance and match the quarterly target.

6. Some one achieves 75% -100% target, he will be eligible for the incentive, Increment and will be promoted to the next higher responsibility.

7. Some one achieving 60% -75% of the target is considered to be good performer and eligible for the increment.

18. Every one is expected to be achieving at least 35% of targets every month, for example some one's target is 12 lacks per annum (1 Lac. per month). he should achieve Rs.35,000/- worth orders at least every month , failing which he is considered to be Non -performer or may be burden to the company and the company reserves rights to hold salary and expenses of non-performers until they turn out to be performers.

19. Non-performers would be terminated auomatically if they do not turn out to be performers in one month. No saperate termination letter would be sent in this regard.

10. Orders obtained directly from the end users instead of the channel partners/ distributors/stockists. With good margins and advance payments would be eligible for special incentives,. Also appointing exclusive Channel Partners / Distributors/ Stockists with security deposit would also be considered for special incentives

### Letter of Intent

Dear Abdul Chandini ,

We are pleased to offer you the position of 'Trainee - Copyediting Level 2' with our organization. You shall report for a comprehensive training program from (April / May' 2015). The exact date of joining would be intimated to you as soon as we decide on the training start date.

This offer is subject to the company receiving:

- A satisfactory note from any 2 professional references (HOD / Principal / Director of your institution)
- A mail of confirmation, stating your likely date of joining TNQ
- Submission of satisfactory proof of all the information declared by you, i.e. your age, education, qualification, training etc

You will initially undergo a comprehensive '2 months - Classroom training' and '4 months on-the-job' training. It is mandatory that you clear both the training for you to continue on the rolls of the organization. In case, if you fail in any of the above training, this offer made to you will be withdrawn and your services will stand terminated from the organization without any obligations.

Your annual CTC will be **Rs. 144,600/p.a.** The break-up of the CTC will be provided to you along with your appointment letter, which will be issued to you at the time of your joining / after receiving a mail of confirmation on your date of joining.

We look forward to your joining us and building a successful career with TNQ. All the very best!!!

Yours Sincerely,

Swaminathan. L

We are pleased to offer you the position of 'Trainee - Copyediting Level 1' with our organization. You shall report for a comprehensive training program from (April / May' 2015). The exact date of joining would be intimated to you as soon as we decide on the training start date.

This offer is subject to the company receiving:

- A satisfactory note from any 2 professional references (HOD / Principal / Director of your institution)
- A mail of confirmation, stating your likely date of joining TNQ
- Submission of satisfactory proof of all the information declared by you, i.e. your age, education, qualification, training etc

You will initially undergo a comprehensive '2 months - Classroom training' and '4 months on-the-job' training. It is mandatory that you clear both the training for you to continue on the rolls of the organization. In case, if you fail in any of the above training, this offer made to you will be withdrawn and your services will stand terminated from the organization without any obligations.

Your annual CTC will be **Rs. 144,600/p.a.** The break-up of the CTC will be provided to you along with your appointment letter, which will be issued to you at the time of your joining / after receiving a mail of confirmation on your date of joining.

We look forward to your joining us and building a successful career with TNQ. All the very best!!!

Yours Sincerely,

Swaminathan. L

**Assistant Manager – Human Resources**

I have read and understood the above Terms and Conditions and I accept and agree for the same.

## LETTER OF RESPONSE

Date: 09-04-2015,  
Nandamuru.

Before introducing myself, I profusely thank the delegates of **PRATIAN TECHNOLOGIES** for giving this valuable opportunity to establish myself with a good start for my future.

I am K. Bindu Sravanthi and among my friends am popularly known as Bindu. I hail from Machilipatnam I had my Schooling in Little Flower High School and +2 from R.K.Jr.College and presently I'm in B.Tech Final Year in **Sri Vasavi Institute of Engineering & Technology, Nandamuru**. I have one sibling. My father is a business man and mother is a house wife. I was brought up from traditional background.

It is my long dream to establish myself as a software physicist, advancing myself in programming. I believe that **PRATIAN** will be a good start for my career I assure that I would invest to the last drop of my perspiration to burn the mid night oil & contribute all my innovative ideas.

I am ready to mould & adapt myself to any kind of work environment & go ahead. I also won't take a back step when I need to learn new things from my superiors and my form colleagues, I will make use of every moment, to show the difference at the end of every assignment given to me in a positive manner.

## LETTER OF RESPONSE

Date: 09-04-2015,  
Nandamuru.

Let me first express my sincere gratitude for accommodating me if the privilege of this opportunity in your organization. I'm really excited and search for words to thank you for this prestigious placement. I'm believe and I am glad that your judgment of the shortlist is impartial.

This is Sai Durga Devi and my friends pet-named me as Durga. I'm the second of the siblings in my family. My elder brother is preparing for competitive exams and my younger brother is in Diploma final year. I proudly say that my father is a farmer and I am prouder that I am a member of a family of peasants. I was brought up amidst a lot of love and attachments. From my childhood I inculcated the virtues of responsibility and industry. I was schooled and had all my education in and around my hometown. My strong ambition is to contribute an advanced theory in computer programming which would help in the furtherance of simplifying the major and vast computer programs.

I have been engaged in the continuous simplification of difficult programs. I am always appreciated by my family and my friends too for the virtues of patience, research inquisitiveness, helping nature, hard work and strong desire to learn.
