Report on Workshop “ENTREPRENEURSHIP SKILLS”

The **ENTREPRENEURSHIP SKILLS** Workshop was tailor-made to facilitate the academic requirements of the final year student community at the SVIET. The one day trans-disciplinary workshop was conceptualized with the intention of knowledge-building on the fundamentals of research concepts, methodologies and processes in addition to providing hands-on training in synopsis/thesis writing with inputs on the essentials of academic writing. The objectives of the workshop were

- To develop knowledge on the fundamentals of research
- To build knowledge on research design, application & data analysis
- To develop skills for synopsis/thesis development & academic writing

The workshop was conducted free of cost to the students. The workshop was organized using available resource persons and infrastructure in the University itself and incurred no expenses from the organizers or the University.
