Message from

ASSOC.Prof. B J NAYAK,

ASSOC.Prof & Head, EEE Dept

The EEE Dept E-newsletter is a platform for sharing educational information, activities and events related to the EEE Department. I hope that the E-news letter will provide useful and relevant information. It is the intent of the department to make it a Quarterly publication to keep in touch with the departmental activities and achievements. This is a platform to share information and you can participate by sharing your thoughts on the Departmental activities or by contributing information on the events that you have organized.

Department Vision:

To be a recognized knowledge hub of Electrical & Electronics Engineering contributing to overall development of stakeholder.

Department Mission:

DM1. To provide quality resources, infrastructure that enables student learning.

DM2. To conduct training, activities for professional & personality development.

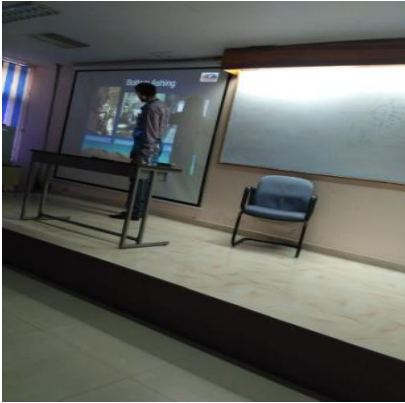

DM3. To promote ethical values & communication skills.

DM4. To motivate students for continuous pursuit of solutions to meet Social & industrial needs.

INDUSTRIAL VISIT TO DR NTPS (KONDAPALLI NEAR VIJAYAWADA)

Faculty coordinator:- Mr B.D.S Prasad

On 22/9/18 our EEE Students visited Dr Narla Tata Rao Thermal PowerStation which is situated in between kondapalli and Ibrahimpatnam villages near Vijayawada along with faculty Mr B.D.S Prasad and Diploma faculty Ms Jyothsna. The bus started at 7:30 am from machilipatnam Bus stand and reached the training institute of the plant by 10:30 am, at the institute they started the explanation of the plant operation by 10:45 am by V .Srinivas Rao Garu (DE) and they took upto 1:15 pm . By 2:30 pm students reached the plant and they divide them into batches an allocate a guide and they show every section of the unit v upto 5:50 pm , by 6:40 pm we came out of the plant and started to machilipatnam and reached machilipatnam by 9:30 pm.

Invited lecture from industry

Faculty coordinator:- Mr K V V N BHASKAR

One day Invited lecture from industry on topic “Indian power scenario and operational practices in thermal power plant” by Mr B.Ravi Kiran, Divisional Engineer, Dr NTTPS, Vijayawada on 01-10-2018(Monday) from 9:30Am to 12:50PM , for our II, III & IV B.Tech EEE Students.
