No suggestions

Na

Better

Noo

Communication skills

Practical knowledge

To improve the students iq levels make teacher to be friendly with students

Nothing to say everything is good

1

Improve education skills

Digital classes and explaining properly and good approaching

Digital classes and explain properly and good approach

Encourage students

Digital class good approaching explaining properly

All facilities are available

Explaining properly

Everything is pretty good

Explaining properly

No suggestions

Well

excellent

I don't have any suggestions to give because they are experts

Good experience learning

I am almost satisfied

Provide more interesting internships in the first year itself according to the branch to get knowledge

Provide booming courses based on their branches along with certification which helps in further

Provide Programs that students get skills as well as basic knowledge

Better

Encourage students...

Satisfactory

Effective daily life applications and effective communication with students -are expecting from them.

And also expecting positive way speaking skills with out pressure created based words on students.

.....

krishnamohan6328@gmail.com

Thank you

Good teaching & learning in exams time faculty encourage our knowledge in our institution

Everybody should communicate in English

Expecting holidays

Very difficult to listen classes continuously

Encourage self learning

Use of technology

Regular assessment

Play ground neatness

Projectors clarity

Proper clean ness in bathroom areas and in water facility areas

Use proper equipments for teaching

Very good communication

Use projectors

No observation

Regular

Wanted experienced faculty

1) Kindly give more project and real time problem to solve. Industrial problem statements may be given as assignment.

2) Courses can be more research oriented. Kindly provide elective course based on the

willingness even though less strength.

3) New technology monthly updates can be given. Activity based learning may be implemented.

Everything is going good

Good teaching skills  
Teachers gives a best advices

No experience

good projector

nothing

Good enough

Encouragement in exta circular activites

The interrest way of teaching

communication,

-

MAHI

Nice

lavanyaterli.2003@gmail.com

Improve your teaching

Faculty shouldn't give their class to other faculty  
Faculty should give more examples to a problem  
Faculty should come to class regularly

Understanding is important between teachers and students  

Poor

Improve speaking skills

Very better to teach, excellent

Nice

Nthto say

O  
F  
F

Care very well for intresting students

No objections in teaching

Improve infrastructure,improve security,improve standards

Try to reach every student and ask for their doubts

College is very good

no comment

I'm just asking improve teaching level

A Little bit of Improvement

Improve security, improve standards, improve facilities

Use more modern technology

Use more modern technology

Use more technology

Provide virtual internship

I can strongly believe that this is good Edhucational institution.

Good explanation

2

Be friendly with students

Provides incresing library facility.  
Promote encourage for jobs.

Give training for extraa cultivate activities.

Extraa...

Try to cover the whole syllabus

Try to make infrastructure better

Proper explanation

Don't continue same classes skip in between
