A REPORT ON INTELLECTUAL PROPERTY RIGHTS & PATENTS

A One day Guest Lecture on “**Intellectual Property Rights & patents**” was conducted by CSE Dept on 26/3/16. The resource person was Sri Dr.K.Kalyan Chakravarthy.,M.B.A, M.A(Criminal Justice)., Ph.D, Professor, RCEE, Eluru is concerned with the protection of tangible and intangible property. The resource persons gave an opinion that IPR provides rewards and recognition to inventor/contributor for their research, legal protection encourages innovation, economic growth, new jobs and industries, improve quality of life, provides an environmental where creativity flourishes and everyone is benefited etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. The main aim of faculty development program is to impart greater awareness about the issue of Intellectual Property Right (IPR), which has gained a special importance for all the domains of socio-economic development. It aid to understand of patentability criteria in details and viable aspect of the patent.

Nearly 50 faculty members were attended this programme.

FDP HIGHLIGHTS:

1. What is intellectual property (IP)?
2. What are intellectual property rights (IPR)?
3. The need to promote and protect IP
4. What are Patents and Trademarks?
5. Industrial designs
6. What are Geographical indications & Copy Rights?

The Faculty participants felt very happy for attending the program and most of them given excellent in feedback.
