*Message from*

*Dr. M.Ranga Rao,*

*Prof. & Head, ECE Dept*

The ECE Dept newsletter is a platform for sharing educational information, activities and events related to the ECE Department. I hope that the news letter will provide useful and relevant information. It is the intent of the department to make it a Quarterly publication to keep in touch with the departmental activities and achievements. This is a platform to share information and you can participate by sharing your thoughts on the Departmental activities or by contributing information on the events that you have organized.

### **Department Vision:**

To become centre of excellence in Electronics and Communication Engineering to meet the challenges of industry and the society

### **Department Mission:**

**DM1:** Impart high quality education to enable students to face challenges Of Electronics and Communication Engineering.

**DM2:** Provide all possible support to promote activities in the related areas of VLSI, Communications, Signal Processing, and Micro Processors & Micro Controllers.

**DM3:** Inculcate ethical, professional values and life-long learning skills to address the societal needs

### **Industrial Visit:**

About 104 final year ECE students visited "Cyclone Detection Radar Station of Machilipatnam" on 4/9/19 & 6/9/19.

### **Alumni Interaction:**

On 3/9/2019, An Alumni Interactive session about VLSI & Carrier Guidance/opportunities is conducted for IV-ECE students with the K. Sai Chandu, VLSI Design Engineer, LEADSOC, Bangalore
