Teaching more partially

Need to upgrade new teaching skills

Not required

I suggest to Teaching with a practical examples for to create an interesting on that particular subject

Please teach what students required

Select good faculty and knowledge faculty... Our college faculty is very poor to the subject..

Need to improve teaching skills

Well satisfied

Parallel usage of board and LCD
Quality teaching
Normal improvement

Knowledge about site

Bxndnn

All is good no need any improvements

Have to improve online learning effective

Satisfactory

have to improve sports periods

Improve opportunities off campus drive

Big problem with teaching staff

Parallel use of board and ppt

Interaction with students

Consider all the students understanding knowledge don't teach lesson based up on some students

Learn something new to develop the skill

N/A

Good education , communication, experience

Open gate

Please give respect for management students

Provide proper lab equipments

Practical learning should be implemented

Conduct workshops more

Exallent performance from the teachers

Proper lab equipments

no

Please complete the syllabus early

Explain with both projector and with black board effectively.

1. First of all encourage practical classes along with theoretical classes.

2. Encourage student to make new innovations and ideas

3. Explain of syllabus can be in more graphical way and we have projectors in our class we them to easily explain using some amount of animations.

4. As a ECE student, we are facing components and kit failure issues please provide enough components and repair them if necessary

5. Why the syllabus is in lagging, please update it with new technology which is available in the outside market

6. PERCENTAGE IS NOT IMPORTANT... GAINING KNOWLEDGE IN THE COLLEGE WHICH CAN BE USEFUL IS MORE IMPORTANT....

Every faculty is like :- Percentage is important and they are providing less knowledge

noo

Improve events, neatness, canteen, placements

Practical examples..... Effective stories related to subject... And Live examples

Provide experience teachers for all subject.

First of all..

Intract with students

Money is secondry give first prefarence to study.. Education.

Give real time example current affairs

They can't give future career give that it helps to the students of which they needed their intersts....

Continuos monitoting of the student to curicullar activities and..
