INSTITUTION DISTINCTIVENESS

Higher education has special value in the emerging knowledge society. It contributes directly as well as indirectly to the wealth of a nation. Therefore, the country's future depends on a well structured and implemented higher education system. The way we design our education system is decided by the way we view life.

As far as our Mission and Vision is concerned, college always tries to implement the distinctiveness in the work. Our college has a large number of students from the surrounding villages. Most of the students from rural areas poor background, but they are not poor in talent, knowledge and humility.

Response:

- College is sustained in the present difficult situation of having less admissions in engineering education.
- College is accredited with NAAC 'A' grade and all eligible departments ECE, CSE and MECH departments have been accredited with NBA.
- Our college is the first college to get NAAC 'A' grade accreditation with new norms among all affiliated colleges of JNTUK, Kakinada.
- Our college is one of the good colleges among those which got NBA accreditation for all eligible departments

The standard of any educational institution is generally measured by its academic excellence and the success in placements. It is to meet this vital requirement and the competitive tandard and achieve this target, the Communication & Soft skills(CSS) Department was established to train students in the areas of Aptitude, Reasoning, verbal and Soft Skills. CSS & Placement Cell has been instrumental in associating itself with corporate giant to conduct various Industry-Institute initiatives. Various technical and literary events are conducted to practically enhance communicative abilities to face emerging challenges in the context of globalization. It is the Department of CSS with its Campus Recruitment Training Program (CRTP) that proclaims the academic and professional uniqueness of our institution.

Faculty members are encouraged to attend workshops on universal human values and there by imparting moral values, ethics & human values to the budding engineers.

As an encouragement to the faculty members, an incentive is given for best pass percentage and NPTEL Certifications.

A Faculty Development Program on Universal Human Value (UHV) conducted by AICTE is attended by many of the faculty members. They also interact regularly with the students through open discussions on various topics.

Sports:

- D.Vineela of ECE Department participated in JNTU Kakinada Inter Collegiate, Central Zone Athletics Meet at Aditya Engineering College, Surampalem, and secured Gold Medal in Shot-put.
- K.Victor, M K Suresh participated at Bengaluru City University Organized By Bangalore in Hockey and secured South Inter University Hockmen Participant.
- K Victor, M K Suresh, M Bhaskara Rao, K Siva Naga Chandra, Md Mastan, P Venkatesh participated in Hockey at Nandhayala and won 13th Andhra Pradesh Junior Men Inter District Hockey Champion Ship.

The successful implementation of this innovative, comprehensive and integrated value education system is distinctive to its vision, priority and thrust. SVIET is geared to lead and contribute to the advancement of human knowledge and attain wisdom to develop a more humane and enlightened society with its exemplary system of education.
