AWARENESS PROGRAMME ON DRUGS

The Drug Abuse Awareness Programme was organised on 29 December 2022. The Chief Guest for the event was Mr.N.V.Ramanjenulu, ASP, Machilipatnam.

Mr.N.V.Ramanjenulu in his special address said that the life of a student is both challenging and interesting. They face problems to overcome these challenges in order to achieve their goals and be successful in life. He informed that illicit drugs are one such problem that cause hindrance to the development of the students. He also added that drugs cannot be eradicated totally as there are certain medicines which are used for treatment of physical ailments. But excessive use of these medicines would surely be a hazardous threat to one's life. He advised the student audience to be cautious and stay away from the use of drugs. He also advised the students to take up any form of sports in order to keep themselves active and engaged. He urged the students to inform the college authorities and student counsellors if they find their peers using illicit drugs

7.1.9 SENSITIZATION OF STUDENTS AND EMPLOYEES OF THE INSTITUTION TO THE CONSTITUTIONAL OBLIGATIONS: VALUES, RIGHTS, DUTIES AND RESPONSIBILITIES OF CITIZENS

At SVIET, we believe in giving holistic all round education to the students. And sensitizing students on our constitutional rights, values, duties and responsibilities is one of the primary educations given at the institute through various means.

Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum as well as through extra-curricular activities. Many of the subjects offered have topics which sensitize the students about the constitutional obligations. The University has introduced a compulsory paper on the Constitution of India at Degree level across all engineering disciplines to create awareness and sensitizing the students and employees to constitution obligation. As a part of strengthening the democratic values. Also, all students take a course on Environment studies in their first year which gives them insight into environment acts, wildlife protection act, forest act, global environmental concerns etc.
