National Deworming Day

Compliance Report

Dt: 14-03-2023

By receiving the instructions of JNTUK, the head of the institution, faculty and I. B.Tech students had participated in National De Worming Day on 14-03-2023. Our volunteers had distributed the medicines to the students with the support of Medical Department Staff and ANM staff. Our college management has also extending their hand to conduct this programme. Nearly 350 I.B.Tech students are gaining benefit from this camp. Prevention is better than cure, so this is very useful to our students to avoid the symptoms of influenza.

Students activity cell members of Sri Vasavi Institute of Engineering and Technology has taken a step forward to conduct this programme by inviting the Medical Department staff and ANM staff for creating awareness of taking precautionary steps to avoid this virus Influenza to our students. Then our volunteers distributed the medicines to our students. Then they have given advice to avoid the Corona by wearing mask, carry sanitizers, and maintain social distance. Especially, the infected people should maintain the caution.

To avoid the adverse conditions, we distributed the Albendazole tablets to the students.
