

Nandamuru,
Date:30-05-22.

A REPORT ON BUTTER MILK DISTRIBUTION.

BUTTER MILK DISTRIBUTION is organized in the college of SVIET campus. On 30-05-22 from 10:00AM. The day is all about preparing & distributing of buttermilk at center of nandamuru by our management and students.

Buttermilk contains high amounts of calcium, which contributes significantly to its health benefits. The human body requires 1000 mg of calcium per day. Buttermilk Packed with electrolytes and lots of water, it is the best thing you can have in the scorching summers. With the sun beating down, having a glass of buttermilk every day can help you beat the heat while keeping you hydrated.
