Independence Day Celebrations

Azaadi Ka Amruth Mahosthav

On the completion of the 75 years of Republic of India will celebrate its 76th Independence Day to commemorate the declaration of Indian independence from Britain on 15 August 1947.

'Tiranga' rally is a part of govt's 'Har Ghar Tiranga' campaign to encourage people to bring the flag at home and to hoist it to mark India's independence. Ahead of the 76th Independence Day, a Massive 'Tiranga' rally was held in SVIET campus with the students, faculty and management.

On this special occasion In charge Principal Sri Dr D,Raja Ramesh addressed the gathering on the patriotism of our freedom fighters, the significance of our independence and how the modern generation can get inspiration and motivation to work towards the progress of the country. The function concluded with the National Anthem.

Teachers Day Celebrations

National Teachers' Day in India is celebrated on **September 5th** every year. It is a day to honor and celebrate the contributions of teachers to society. The day is also observed as a tribute to the memory of **Dr. Sarvepalli Radhakrishnan**, the second President of India from 1962 to 1967. Dr. Radhakrishnan was a scholar, philosopher, and teacher. He was also a strong advocate for education and believed that teachers played a vital role in shaping the future of the nation. In 1962, when his students asked him to celebrate his birthday, he requested that they instead observe September 5th as Teachers' Day. This year Teacher's Day 2023 is celebrated on Tuesday.

Teachers Day was conducted in the college, the faculty members are encouraged with cash awards based on the results and research.

Engineers Day

Every year India celebrates National Engineer's day on September 15 to recognize and honor the achievements of the great engineer Mokshagundam Visvesvaraya. Along with India, Visvesvaraya's great works are also celebrated in Sri Lanka and Tanzania on September 15 as Engineer's day.

Career in Engineering is the dream of maximum number of students pursuing their Intermediate with Science subjects (Mathematics, Physics, Chemistry). There are many of them who specifically want to become a civil engineer, but do you know who is called the first civil engineer of India. The answer is Dr. Mokshagundam Visvesvaraya. Due to the excellent work done in the field of engineering (dams, reservoirs and hydroelectric projects), the birth date of Dr. M Visvesvaraya, who was awarded the Bharat Ratna in the year 1955, 15 September (year 1860) is celebrated as Engineers Day. Engineers Day was announced by the Government of India in the year 1968, since then it is celebrated every year on this day.

On this occasion technical events like Poster Presentation and Innovations were conducted and prizes were distributed to students.

Dusshara Sambaraalu

Dussehra, also called Dasara or Vijayadashami, in Hinduism, holiday marking the triumph of Rama, an avatar of Vishnu, over the 10-headed demon king Ravana, who abducted Rama's wife, Sita. The festival's name is derived from the Sanskrit words *dasha* ("ten") and *hara* ("defeat"). Symbolizing the victory of good over evil, Dussehra is celebrated on the 10th day of the month of Ashvina (September–October), the seventh month of the Hindu calendar, with the appearance of the full moon, an event called the "bright fortnight" (*shukla paksha*). Dussehra coincides with the culmination of the nine-day Navratri festival and with the tenth day of the Durga Puja festival. For many, it marks the beginning of preparation for Diwali, which occurs 20 days after Dussehra.

Dasara Sambaralu were conducted in the college and these brought the devotional feel in the premises. Competitions like Kolatam and dance were conducted and encouraged.

World Students Day

The United Nations Organisation (UNO) declared October 15 as World Students' Day in 2010 to honour the efforts of Dr. APJ Abdul Kalam. Dr. A.P.J. Abdul Kalam's role in teaching and his dedication can't be explained in words. He always identified himself as a teacher. While teaching only in Shillong IIM College, he had a cardiac arrest. This showed his dedication towards teaching. In 2006, in the President's address at the presentation of the National Award to Teachers, he said that " Teachers have to realize that they are the builders of the society. A good society can be built when students have the knowledge and are proficient in their subjects. They have also to provide a vision for life to the students and to inculcate the fundamentals of values which should be practice in the years to come".

World Students Day was conducted in the college and various Talent tests, quiz competitions were conducted and encouraged them.

Karthika Deepothsavam

Kartika Deeposthavam is a festival of lights that is observed mainly by Hindu Tamils, and also by adherents in the regions of Kerala, Andhra Pradesh, Telangana, Karnataka, and Sri Lanka. Celebrated in Tamilakam since the ancient period,^[1] the festival is held on the full moon day of the Kartika month, called the Kartika Pournami, falling on the Gregorian months of November or December.^[2] It is marked on the day the full moon is in conjunction with the constellation of Kartika. It corresponds to the occasion of the Kartika Purnima, though it falls on a different day due to the correction of equinoxes in the Tamil calendar. In Kerala, this festival is known as Trikkartika, celebrated in the honour of Chottanikkara Bhagavati, a form of Lakshmi. It is celebrated in the name of Lakshabba in the Nilgiris district of Tamil Nadu.

In Hindu mythology, some legends state that the deity Shiva created Kartikeya (Murugan) from his third eye, or his six primary faces later merged into one by his mother, Parvati. These six nymphs are regarded to represent the cluster of six stars that make up the Kartika constellation. As the six nymphs had helped in rearing the child, Shiva is said to have bestowed immortality upon the six nymphs, created to become eternal stars in the sky. Any worship performed to these six stars is regarded to be equal to worshipping Murugan himself, and are hence sacred to Shaivas. They are worshiped by lighting up rows of oil lamps (*deepam*) in the evening of the festival day around houses and streets. Kartika Deepam is also celebrated as the birthday of Kartikeya.

Karthika deepothsavam was conducted on 20-11-2022. Competations were conducted on deepalankarana.

National Library Week Celebrations

November 14-20 is celebrated as National Library Week all over India since 1968. National Library Week is celebrated to mark the practice initiated by Shri I.V. Ramanayya. National Library Week is an annual celebration highlighting the valuable role of libraries, librarians, and library workers play in transforming lives and strengthening our communities. Library week celebration is a boost to promote the reading habits among the students. Andhra Pradesh Library Association organized an All India Library Meeting in 12 November 1912 in Madras. This meeting lead to the forming of Indian Library Association. Later ILA declared 14 November as National Library Day.

Quiz, Elocution, Assay writing competitions were conducted to the students during National Library Week Celebrations.

Semi Christmas

Everywhere celebrates "semi-Christmas" before the actual Christmas. While you would assume that signifies the middle of December, it actually spans from roughly November 18 to November 23. Advent custom. The four weeks leading up to Christmas (or December 1 through December 25) are known as Advent. Advent is Latin for "to come." The birth of Jesus Christ is commemorated at Christmas. The majority of Christians celebrate it.

Jesus was conceived on March 25, according to the Roman Christian historian Sextus Julius Africanus, or nine months later on December 25. As a result, the birth date is set. Before Christmas itself, "semi-Christmas" are observed all around the world. While December 18–23 have passed, it is still not mid-December. Jesus was the vehicle through which God sent his Son to earth at Christmas. Christians commemorate the birth of Jesus, who entered the world as the Son of God and Savior to save humanity from its sins, on Christmas Eve.

Christ Prayers and cake cutting were done in the college.

National Youth Day

National Youth Day, also known as Vivekananda Jayanti, is celebrated on 12 January, being the birthday of a Hindu monk, Swami Vivekananda. In 1984, the Government of India declared this day as National Youth Day and since 1985 the event is celebrated in India every year.

It was a decision of the Government of India taken in 1984 to celebrate the birthday of great Swami Vivekananda, i.e. 12 January, as National Youth Day every year. The Government that the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth Day.

College invited Vijayanand Maharaj from Vivekananda Matt Vijayawada (monk) and he had given valuable speech and motivated students by his words. College conducted Dance, Mime competitions.

Sankranti Sambaraalu

Makara Sankranti also referred to as Uttarayana, Makar, or simply Sankranti, is a Hindu observance and a festival. Usually falling on the date of January 14 annually (January 15 on a leap year), this occasion marks the transition of the sun from the zodiac of Sagittarius (*dhanu*) to Capricorn (*makara*). Since the sun has made this transition which vaguely coincides with moving from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning. Many native multi-day festivals are organized on this occasion all over India.

Rangoli Competition, Bommala Koluvu, were conducted on the occasion of Sankranti. Many students participated in the event and made the premises colourful. Prizes were distributed for the winners.

Mock Parliament

A model parliament (also referred to as a mock parliament) is a simulation of the parliamentary proceedings of a legislature or other deliberative assembly, often based upon the Westminster parliamentary system. They can be similar to Model United Nations. Model parliaments can also be based on a specific national or sub national legislature. Model Parliaments are usually held as an educational tool to promote understanding of the working of government.

Model parliaments have also been established to promote the activities of community service programs or to advocate social or political change. The Canadian youth parliament movement was founded for the purpose of advancing youth programs in Canada. In Australia the YMCA runs the YMCA Youth Parliament programs in every state and territory. Oxfam sponsors an "International Youth Parliament" to promote youth-led social change. As an example of the latter purpose, in 1914 the women's suffrage movement in Canada, under the leadership of Nellie McClung, organized a mock parliament to parody the refusal of the government of Manitoba to grant women the right to vote.

Sri Rama Navami celebrations

Rama Navami is a Hindu festival that celebrates the birth of Rama, one the most popularly revered deities in Hinduism, also known as the seventh avatar of Vishnu. He is often held as an emblem within Hinduism for being an ideal king and human through his righteousness, good conduct and virtue. The festival falls on the ninth day of the bright half (Shukla Paksha) of the lunar cycle of Chaitra (March–April), the first month in the Hindu calendar. It is also part of the Chaitra Navaratri festival in spring. Rama Navami is a holiday for government employees in India.

The rituals and customs associated with Rama Navami vary from region to region throughout India. The day is marked by reciting from the Hindu epic *Ramayana* which narrates the tale of Rama. Vaishnava Hindus celebrate the festival by visiting temples, praying, fasting, listening to spiritual discourses and singing *bhajans* or *kirtans* (devotional songs). Some devotees offer worship to Rama like an infant by placing an image of him in a cradle. Charitable events and community meals are also organized. The festival is an occasion for moral reflection for many Hindus.

Sri Rama Navami was celebrated on 09-04-2023. Kolatam contest was conducted and Classical dance was performed by several students on the occasion.

Annual Day

Annual day celebrations take place in almost all schools around the world. The Annual Day celebration allows the school to celebrate another year of its being, and appreciates the students' achievements in all curricular, co-curricular and extracurricular activities conducted throughout the year.

A number of cultural events also take place on this day. Annual day celebrations mainly take place at the end of the year in most schools. So if you want to write a report on annual day celebrations, then you must talk about when the annual celebration took place in your school/college, who had been invited as the special guest for the occasion, the students, performances on the occasion, prize distributions and also about the theme of the annual day (if any).

The chief guest Padmasri Dr.M.Vijay Gupta sir invited and given a valuable speech to the students.

Mother's Day

A day to honor mothers has existed for as long as, well, there have been mothers. Festivals honoring mothers in ancient times were often tied to gods and goddesses and maternal symbols of fertility, birth, creativity, and growth cycles. The mother is the protector and nourishes of children and, by extension, of all humanity. The Phrygians held a festival for Cybele, the Great Mother of the Gods. The Greeks and Romans also honored the mother figure of their gods. Even today, an important festival in India, Durga - puja, honors the goddess Durga.

Mother's Day was celebrated in a innovative way: Parents are invited from 1st year students and felicitated parents by the students. Parents are invited to speak about the event conducted.
