(Design Your Career)

any Minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Cooperation in Education and Research

In order to facilitate student exchanges between CHIP ELECTRONICS and SRI VASAVI, the following section provides general procedural information under which the exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate and graduate students. This exchange program will be agreed for the academic year for SRI VASAVI (ELECTRONICS AND COMMUNICATION ENGINEERING DEPARTMENT) 2022 to 2023.

Students may engage in paid co-op or paid internship opportunities through placements by the host institution, providing they meet the legal criteria.

CHIP ELECTRONICS

(Design Your Career)

MEMORANDUM OF UNDERSTANDING BETWEEN CHIP ELECTRONICS AND SRI VASAVI

4th March 2023.

This Memorandum of Understanding (MOU) is entered into on this 4th March 2023 by CHIP ELECTRONICS, Vijayawada and between SRI VASAVI INSTITUTE OF ENGINEERING AND TECHNOLOGY, (SRI VASAVI), NANDAMURU (Electronics and Communication Engineering Department). CHIP ELECTRONICS and SRI VASAVI agree that cooperation in research collaborations, workshops, Students Internship program and Faculty development Programs. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post-doctoral students at the partner institutions;
- Faculty and student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to

CHIP ELECTRONICS

(Design Your Career)

Responsibilities of SRI VASAVI for academic semester or academic year exchanges:

The SRI VASAVI will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year abroad (e.g. medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.
